Requirements of performance

This song provides a wonderful opportunity to share your singing and warm wishes with your school and community. Here are some suggestions to help you capture the joy of a peaceful world:

- * Use the words you identified in activity one and create actions or sign language to help send a clear message to your audience.
- * If possible add the harmonies to the chorus. Listen to them carefully and try to sing them with the volume on the CD very low.
- * When you know the song really well, sing the verse and chorus together.
- * Add clapping to one of the choruses.
- * Vary the number of children singing throughout the song.
- * Develop a catchy phrase to promote world peace.
- * Design a poster or banner with a symbol of peace and display it where you will be singing.
- * Experiment and rehearse and rehearse and rehearse.
- * Evaluate your arrangement and decide if you have achieved your desired effect.
