JUNIOR REVIEW

© IJAM Music

For this review play TRACK 11 of CD 1. You will hear the following:

Task 1. Listen carefully to the beginning of these songs. Colour the matching picture to the song you hear. This is a little tricky because only the melody will be played. You will not hear any words. Press pause on the CD player if you need some extra time for colouring and then, when you're ready, press play to listen to the next song.

Task 2. The Biggest Band sings about the slowest, fastest, softest and loudest bands. Let's pretend that it is an animal band. They must be very clever animals because they can play musical instruments. Draw a line from the type of band to the animals that you think would be playing in it.

<u>Bands</u>		<u>Animals</u>
A. Slowest		
B. Fastest		
C. Softest		
D. Loudest		

Task 3. In Cabbage Café, the poor egg gets broken and the cabbage has to be eaten. If you clap these words as you say them you will see that egg gets one clap and cabbage gets two claps. Try it.

Have a look at the three plates. Plate 1 would like to have some more one clap food on it. Plate 2 would like to have some more 2 clap foods and plate number 3 would like to have some more 3 clap foods. Help out our empty plates by drawing the food they would like.
